

RTST19: Random Talks on Stochastic and Non-Equilibrium Thermodynamics

A SMRI Program in Spring 2019

RTST19 is an informal meeting called by initiative of the **Santa Marinella Research Institute**, which will take place in **Santa Marinella** (Italy) from June 5 to June 8, 2019. Participation is by invitation only.

Its goal is to allow a number of researchers to exchange ideas about the present status of the subject, the challenges we face, and the perspectives of further progress.

Venue:

Hotel L'Isola
Piazza Trieste, 6
00058 Santa Marinella (RM)

Tel. +39 0766 512875
Fax +39 0766 518112
E-mail: info@hotelisola.com

Web page: <http://www.hotelisola.com>
